

I URGE CHINA TO INTRODUCE COMPREHENSIVE ANIMAL WELFARE LAWS AND PROSECUTE THOSE INVOLVED IN ANIMAL ABUSE.

The existence of organised cat torture networks highlights the urgent need for clear legal protections and enforcement. These networks operate with **extreme cruelty** and mock **President Xi Jinping**.

Strong animal welfare standards would help **prevent cruelty**, **promote compassion** and be welcomed by the international community.

Such laws would reflect **positively on China**.

我呼吁中国制定 全面的动物福利法律， 并起诉所有参与动物虐待的人。

有组织的虐猫网络的存在凸显了对明确的法律保护 and 执法的迫切需求。这些网络以**极其残忍**的手段运作，并**嘲讽习近平主席**。

强有力的动物福利标准将有助于**防止虐待**，**促进同情心**，并得到国际社会的欢迎。这样的法律将对**中国产生积极影响**。
